Get Unrealistic: How Radical Faith Releases You from the Limitations of Reality

by
Debleaire Snell

Synopsis

Get Unrealistic is the tool that every believer needs in their spiritual arsenal. Reality wants to shape your values, your perspective and your worldview. Each new day tries to force us to accept our current reality. This book is designed to remove the lid from your faith. Right now, what we see determines what we believe. God designed for our beliefs to determine what we see. This book will equip you to begin praying unrealistic prayers, embracing unrealistic dreams, and beginning some unrealistic pursuits. Too often we are taught to be more realistic. God has not called you to be realistic. You can't be realistic and a person of faith at the same time. Realities are not meant to be accepted; God wants them to be challenged and overthrown. Your life won't change until you get unrealistic!

Let Justice Roll: Biblical Devotions on Conscience and Justice, The Ultimate Guide to the Daniel Fast

What people say about this book

Deejay F, "A dynamic well-written masterpiece on faith!. The author powerfully expounded upon the unrealistic faith dynamics that must be employed in the life of a believer. It was difficult to put down the book after reading each chapter. Moreover, the personal and biblical examples that tie into each chapter were on point! This book has been the best that I have read concerning the topic of faith. It has changed my faith walk exponentially and in a phenomenal way! Highly recommended."

Cynthia Monsanto, "I'm becoming unrealistic. This book is a God send. It helps you to understand what faith really means and how you can tap into it. Pastor Snell really delves into the faith journey and gives pointers on how to increase your faith to have unrealistic faith. I highly recommend this book. I promise that your faith journey will never be the same."

Kidthebuck, "Fresh Insightful Journey.. Just when you think you know all there is to know about faith, here comes God through His manservant pastor Snell and takes you on a whole new level that blows your mind."

Ebook Tops Reader, "Vital for our Growth in Christ Jesus. Don't panic...Get this devotional ...if you are led by God and your heart is open to receive the Word of God...then order this book NOW! When done intentionally, when you search for God and you study HIS WORD, God promises that you WILL NOT be put to shame! Don't TRY God...COMMIT TO HIM!! You better "Google Me" ...Lol ..if you study this devotional you will get this phrase...go search to figure what it means!"

Rachel Williams-Smith, "inspired and inspiring!. This book came at the perfect time to challenge and encourage me to new levels of believing and heights of faith. It's served as a manual of sorts to understand faith and how it works and clear up some misconceptions and blind spots. God clearly let him to write this book and I recommended to anyone who wants to walk in new and closer ways with God in Jesus Christ!"

Ebook Tops Reader, "This book is life changing!!!. This Spirit-inspired book & the global 21-day fast that launched this journey has challenged me to authentic reflection on my relationship with the Lord. This book is an essential tool for equipping believers in these last and evil days to stand firmly on the Word of God and His direction. This book is for anyone who is looking to grow in their walk with the Lord and experience the miraculous in their life. Blessings 2 Pastor Snell for allowing the Lord to use him to guide us on a path towards radical faith."

Karla Brown, "Remove the Limitations. This book is such a blessing to me! It has helped to deepen my understanding of the greatness of God and how it is my lack of faith is what causes limitations in what God is able to do in my life!By faith, I choose to become unrealistic and remove the limitations!"Get unrealistic" is written in a style as if Pastor Snell is talking and his stories/illustrations are so "on point" and relatable.I highly recommend this book to anyone who wants to pursue God's calling on his or her life but has been struggling with delay, fear, and/or doubt.Thanks Pastor Snell for "understanding the assignment" and being obedient to it!"

Lulu Kottonya, "OVERCOMER. Thank You so much Pastor Snell for this book for you wrote just for me in this season of my life. I need a rubber stamp from God that I am perfect just as I am know that "If you can use anything Lord you can use me..." This book has radically changed my realistic faith to Unrealistic Faith. My Prayers are different and even the study of His word is different. My lens of life is different because is growing my UNREALISTIC FAITH day by day. "

Martin, "Well written and humble. A fine Christian book. It is not a book about how to get your prayers answered. It's more about how to pray right. The "unrealistic" theme of the title gets the book off to a great start and is an attention grabber but the writer does not persevere with it. That's a pity but it probably works better as a theme for a sermon than an entire book. Much better written than so many similar books and the writer unconsciously exhibits real humility. He is not afraid to disagree with celebrity pastors who seem more interested in this world than the next. Recommended."

Gillian Sandiford, "Explains what Faith is, how it works. I've experienced results. My main water faucet was seized up. Experienced people, aware that force can break the pipe causing major flooding, tried unsuccessfully. My only option was a costly plumber! Chapter 9 says that God opened the Red sea, and He is about to open my critical situation. I stopped reading right that moment, and followed His instructions immediately. I was able to open the faucet with no pressure applied. No plumber needed. Only God!"

Ron, "Great book. This book is life changing. It helped me to look at life differently and strengthen my faith."

Gloria, "Definitely worth the read. Love everything about this book. Definitely a life changer"
